

JURY APPLICATION

Dear Artisan,

We are inviting artisans to submit their portfolios for jurying. (You must be a member or pending member of an organization that is an official member the BC Assoc. Co-op of Small Wood Business) Through this process we will be selecting a number of woodworkers who will be represented by the gallery. Located on Granville Island, we are looking for artisans dedicated to quality, style and innovation. Our clients are comprised of both international visitors and local urban dwellers. We carry a range of items from quality kitchen- and giftware to, high-end furniture items. Some of our artisans are influenced by particular design styles or schools, while others express their own personal vision. (We are unable to accept reproductions or kits) It is the works that show personal integrity that sell best. That is, we offer products and items not typically found in most stores. Please keep in mind that your portfolios should reflect the type of work you propose to exhibit, as this process is not to select individual items, but rather to select artisans working in the styles we would like to represent. Different types of work will be brought into the gallery at various times depending on floor space, season and demand.

The following list of items must be included and all information fully completed in order for your work to be accepted. The deadline to have documentation submitted for the next jury selection process is _____. The gallery works on a consignment basis, and takes a 43% commission. The retail price to be included on the Slide/Photograph Information Sheet should reflect this consideration. It is also to your advantage to inform us about the type of joinery you typically use. You may wish to send a small sample of your joinery and finishing.

Please include the following in your submission:

- Personal information, including name of organization you are a member of. This organization must in turn be a member of the Wood Co-op.
- 10-15 Labeled Slides or Photographs
- Corresponding Slide/Photograph information Sheet
- Artisan Statement, or Biography
- Exemplary item in box no larger than 2x2x3 (optional)
- SASE (Self Addressed Stamped Envelope) for
- returning your portfolio
